Girl Power is a signature

program of the Ivy Community Service Foundation of Cary, Inc. As a part of the **Emerging Young Leaders (EYL) program**, we hope to impact the lives of 6th, 7th, and 8th grade girls who live primarily in Western Wake County however we encourage middle school girls in the surrounding areas to apply to the program. We look forward to providing leadership development, civic engagement, enhanced academic preparation and character building. The increasing demands of the 21st century require our youth to be better leaders at a younger age and to make smart choices with positive consequences. By partnering with the Sigma Tau Omega Chapter of Alpha Kappa Alpha Sorority, Inc., the Ivy Community Service Foundation of Cary, Inc. plans to expand this growing program starting with 6th grade girls as we work with them through 6th, 7th, and 8th grade.
